

EGR valves

**Triscan smartparts
- the smart choice**

- Exclusively EGR valves in OE quality
- Wide covering programme
- 250+ references
- Triscan's production of EGR valves is subject to the strict quality control standards within the automobile industry: TS 16949
- Our programme within sensors for engine controlling units comprises the following sensors:
 - ABS sensors
 - Brake wear indicators
 - Oxygen sensors
 - Air flow meters
 - Thermo switches
 - Water temperature sensors
 - Camshaft position sensors
 - Crankshaft position sensors
 - Throttle body position sensors
